SUMMARY

I am a full stack developer looking for a full-time position as a junior developer. I have knowledge of HTML, CSS, JS, React, Redux, Next.js, Node.JS/Express, MongoDB, ReactNative. And a huge desire to level up my IT skills. I like to work for hours and hours and to focus on different tasks. I always say - it is important to challenge yourself, and to enjoy it no matter how difficult it can be. Therefore, I am up for any challenge.

TECH SKILS

- HTML5/CSS3/SASS
- Responsive/Adaptive design
- GIT
- JavaScript
- React
- Redux
- Next.js
- REST API
- Handlebars
- Webpack
- Node.js
- Express
- Docker
- Figma
- MongoDB
- React Native

PROJECT EXPERIENCE

- CafeTobi [HTML, JS, React, Next.js, Redux Toolkit, Redux-Persist, Axios, Poster, LiqPay]
It is a commercial project. A full stack restaurant website where you can view the menu, order food for delivery, pay online. Role: developer (the design and development is all mine).
- FoodSta, Link [HTML, SASS, JS, Parcel]
A website for ordering food with a responsive layout, burger menu, modal window. Role: developer. Made menu section and footer.
- Cocktails, Link [HTML, SASS, JS, Parcel, REST API, Axios]
App for choosing cocktails connected to backend API – you can find cocktails by name and by first letter, to see ingredients, to add them to favorites. Role: developer. Made "hero" section and search in "header".
- Wallet, Link [HTML, JS, React (Hooks, Routers, Redux, Redux Toolkit), REST API, Axios]
This is an electronic wallet that will help you to control your income and expenses. Role: developer. Made "log in" page.
- Pets, Link [HTML, SASS, JS, React, Node.js/Express]
A website about pets with a responsive layout, burger menu, modal window. Role: developer. Frontend - item card in "hero" section; backend - endpoints add/remove from favorite pets.

WORK EXPERIENCE

Merchandiser
"Heinemann Duty Free" (Germany), location of work - "Kyiv" International Airport
20.05.2021-24.02.2022
- Ensuring the appropriate range of products in four stores.
- Analytical work with large a volume of information. The number of product names for which I was responsible for is about 500.

Traveler and writer
Self employed
7.10.2016 – 20.12.2019
- I travelled for 3 years and visited 25 countries.
Achievement: I was able to start this trip with 100$ only.

Editor, chief of "news/capital" department
Newspaper "Gazeta po-ukrainsky", magazine "Kraina", site "gazeta.ua" (Kyiv)
1.04.2010 – 15.04.2016
- Filling publications with relevant, interesting and useful information.
Daily planning of current issues of publications.
- Coordinating the work of journalists in the main office, four regional offices, and freelance correspondents in the biggest cities of Ukraine.
- Editing of materials according to corporate standards.
Achievement: Materials of our department were constantly published on the front page of the newspaper. I developed and managed the news department "capital" from zero.
